

ULTRA FLOOR-TO-CEILING

(Storage For 21-126 Wine Bottles)

KEY FEATURES

- ✦ Create a stunning modern wine display without the need for a supporting wall.
- ✦ Store bottles horizontally to keep corks moist while maximizing label visibility.
- ✦ 1-Sided racks hold up to 63 bottles while 2-Sided racks hold up to 126 bottles.
- ✦ Scratch and mar resistant matte black finish.
- ✦ Engineered for ceilings up to 10 feet in height and includes secure installation hardware.
- ✦ Choose from Single, Double, or Triple Deep storage options to customize racking capacity.

The backer channel is used to support the backside of the one-sided FTC.

Can hold 21-126 bottles of wine when paired with our signature HZ Wall Rails
